

SPX BULLETIN #31

May 6, 2021

MAY-MONTH OF MARY & THE ROSARY:

As we are now in the month of May, we honour Mary the Mother of Jesus and our heavenly mother in a special way. Led by our Grade 5 class, we are praying the rosary together as a school over the PA every morning. We have created a beautiful school prayer center and bulletin board representing our Blessed Mother. Knowing that she listens to all of her children's prayers, we encourage you to pray the *Hail Mary* with your children at home daily.

THANK YOU GRADE TWO:

The Grade Two class prepared over 60 bagged lunches complete with a sandwich, juice, treat, and message for the St. Vincent de Paul Society. Thank you to Save On Foods for donating all the food and supplies. A beautiful thank you card sent from SVDP stated, "*You are really applying your First Communion Devotions. We grown-ups at St. Vincent de Paul are very proud of all of you! God Bless you all.*" We are so proud of the Grade Two's as well.

OUTDOOR LEARNING AREAS:

We are very proud of the progress and development of our three outdoor learning areas. The K-3 classes continue to explore in the Fairy Garden and grow their harvest in the four designated planters. The instructional areas on both the primary and intermediate side continue to evolve with the clearing and addition of stump seats and tables. A special thank you to Stephane Pissavin for building the beautiful tables out of tree trunks.

Please pass the word to our community neighbours that these areas are for SPX students only as we want to keep the students' projects and hard work safe and protected.
